

# Judging

The judging view is designed to give quick access to team demographics, deliverables and activities to be judged. The overview gives a glance at the team's name, number, previous participation and demographics make-up. A clickable link to their Team Website (if provided) is available in the last column.

## Switching to a different hub

As a judge, you may volunteer at multiple hubs. To change the hub you are currently viewing to another hub you volunteer at, select the hub from the drop-down list presented below the BEST game logo at the right side of the page. After selecting, click the REFRESH button to the right of the drop down.

## Judging Links

Several quick links are presented to judges. These links are at the top of the page as follows.

### Judging Links

The links provide quick access to the Online Scoring Manager (when used), the BESTMania and Minecraft leaderboards, and the hub/championship scheduled activities. For virtual games, links are also provided for the virtual time trial results and hub/championship file manager.

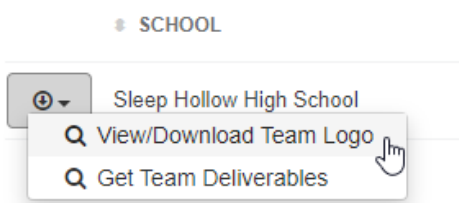

## Export Options

You can export the Participating team information to an Excel file organized by Team or by Deliverable. Click the DOWNLOAD button at the right top of the table and select the format of the Excel you wish to download.

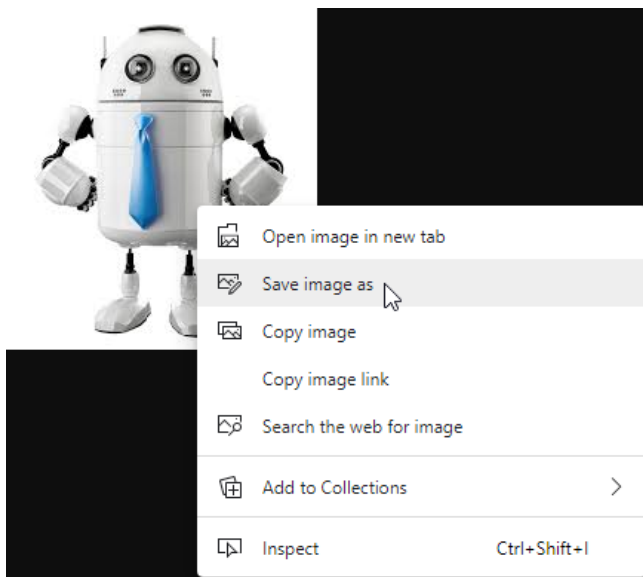

### Viewing and downloading the team logo

1. On the JUDGING page, click the ACTION BUTTON by the team whose logo you wish to download and select VIEW/DOWNLOAD TEAM LOGO.

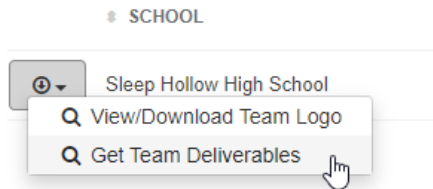

2. The logo will be opened in the browser window. To download, right-click and choose SAVE IMAGE AS. *This text and drop down may very depending on your browser.*

3. Close the newly opened window to return to the JUDGING page.

### Get team deliverables

1. On the JUDGING page, click the ACTION BUTTON by the team whose deliverables you wish to download and select GET TEAM DELIVERABLES.

2. The team's deliverables will be expanded below the team's name. This table provides a list of all hub required deliverables, the due date set by the hub, a Past Due date if no deliverable has been uploaded, as well as a link to the file and date uploaded

Team Deliverables

DELIVERABLE	DUE DATE	PAST DUE	FILE	DATE UPLOADED
Engineering Notebook	12/6/2019 5:00pm *		<a href="#">Download Team #0100 Notebook.pdf</a>	2/7/2020 4:35pm

[Close](#)

- a. To download the file: Click on the DOWNLOAD xxx blue link on the page. The file will be downloaded to your web browser.
3. Click CLOSE to collapse the table.
