

REGISTERING FOR AN ACCOUNT

There are two places from which you can register for an account. On the homepage, click the red CREATE AN ACCOUNT button or on the LOGIN page, click the blue CREATE AN ACCOUNT button. Follow these steps to register for an account.

ONLY ADULTS SHOULD REGISTER FOR AN ACCOUNT. STUDENTS – you should ask your parents to create an account and then register you. If YOU create an account, you WILL NOT HAVE ACCESS to the resources you need to participate throughout the season!

1. Click on one of the two CREATE AN ACCOUNT buttons.
2. Complete the required information.

Your email must be unique in the system. If you are getting a message that your email is in use, be sure you have not previously created an account!

For “Which hub do you primarily participate with?”, select a hub that you wish to be associated with as your primary (or home) hub. If you do not wish to be associated with a particular hub, you may leave this field blank.

A phone number, home address and gender are required.

Your password must contain A CAPITAL LETTER, A LOWER CASE LETTER, and BOTH ALPHA AND NUMERIC CHARACTERS.

3. Click the REGISTER button.
4. You will receive an email with an activation link. CHECK YOUR SPAM FOLDER if you do not receive it! You MUST CLICK THIS LINK for your account to be active!

Hello John Jones,

You recently created a new account at BEST Robotics. In order to activate your account, you must click the following link. This activation is only valid for the next 24 hours.

[Click here to activate account.](#)
