

STUDENTS

DO NOT create an account on <http://registry.bestrobotics.org>. YOUR PARENTS should create their OWN account using a PARENT email address and they will then register you for the competition (each year) using this PARENT account. This is **the ONLY way** you will become associated with your participating school/team. This is **the ONLY way** that you gain login credentials to access the Team Workflow or other 3rd party sites such as the Minecraft and BESTMania Challenges.

<h3>National Registry</h3> <p>Home Events Mentoring Help Login</p>  <h4>A Single Account</h4> <p>All BEST Robotics resources are now available through a single login. You can keep your login from year to year and access your information anytime. Your profile helps you understand where your information is used and allows you to control your privacy with the BEST Robotics web applications. Only adults should create an account. Student: Ask your parent or guardian to create an account and then register you for your robotics team.</p> <p>Create An Account</p>	<h3>Login</h3> <p>Home Events Mentoring Help Login</p> <p>+ Need a new account?</p> <p>If you do not have a BEST Robotics account, you can create one by clicking the button below. Only adults should create an account. Student: Ask your parent or guardian to create an account and then register you for your robotics team.</p> <p>Create Account</p>
