

In partnership with Special Olympics Texas,

BEST of Texas Robotics, host for the annual BEST Robotics UIL Championship and Texas BEST Regional Championship, will now also be hosting the new Unified UIL Championship for certified Unified Champion Schools (UCS).

- A middle-school or high-school is certified as a Unified Champion School by the University Interscholastic League and Special Olympics Texas.
- Any UCS can participate in the UUIL State Championship. UUIL teams must have 50% athletes (students with intellectual disability) and 50% participants /partners (other students).
- All UIL high schools can participate in the UIL State Championship or Texas BEST Championship.
- All other high schools can participate in the Texas BEST Championship.
- All middle schools (UCS or non-UCS) can participate in the Texas BEST Championship.

Unified Champion Schools may register one team of each: UIL and UUIL.

How do I request UUIL participation for my school?

During the season registration process, when you select [Register A School](#) from the Schools page, a list of schools in your state that have competed in BEST Robotics previously will be presented.

Unified schools that are already in the system are denoted by a [Unified School](#) badge next to the school name. Register this school if requesting to compete in the Unified UIL competition. Register with the school without the badge if requesting to compete in the UIL State High School competition or Open BEST competition.

Dripping Springs High School	940 Highway 290 West Dripping Springs TX 78620	Register School
Dripping Springs High School Unified School	940 US-290 Dripping Springs TX 78620	Register School

If your school is not listed with the **Unified School** badge, then you must click on **Create New School** button at the bottom of the search list.

Next, near the bottom of the form, answer UNIFIED UIL to the question “Select the competition type for which you are registering”. Last, choose your Competition District.
